Once upon a time there was a ranch tucked into the mountains where dreams came true. Imagine a wedding venue nestled up against the Teton mountain range on twenty lucious acres perfectly landscaped with native flowers and a wild creek babbling in the background. We specialize in hosting nature-inspired elegant weddings that last the whole weekend long. We invite your guests who are traveling far and wide to stay with us. Take a load off, breathe in the mountain air and roast up a s'more over the fire as they join in this once-in a lifetime celebration of two becoming one.

Will you hold my wedding spot?

We reserve event dates when we receive 50% of the venue fee down payment and a signed contract. At that point your date is officially locked in.

What is the payment schedule?

When you book, 50% of the venue fee is due. Full payment is due 60 days prior to the event. Lodging payment is due 30 days prior to event. Any allocated lodging that is not paid for by guests becomes your responsibility.

Holidays will have a 4-day lodging buyout.

Who is our main contact for the venue?

Events coordinator, Jess Woods, is here to help answer any and all questions you have. She will be on property the days leading up to and during your event to make sure the day runs smoothly.

We provide a basic breakfast for guests staying on property. This consists of bagels, oatmeal, fruit, coffee, tea, and hot chocolate. Is outside alcohol allowed?

Moose Creek Ranch has a Beer/Wine License. All beer/wine must be ordered through us for your wedding. We do not have a liquor license but can order canned cocktails. We have three different packages to choose from, Alcohol orders are due 1 month prior to your big day. Bartenders and bar set up are included in the venue fee.

We will take out all trash and recycling left in the barn. We will also put away any tables and chairs. It is your responsibility to clean up any decorations, alcohol, food etc. Anything left will be tossed. If not cleaned up by 12:00 PM the day after the event, you will be charged a late clean up fee of \$500.00.

Do you provide bartenders?

We provide bartending services and bar set up for your event, which includes set up and take down as well as serving from cocktail hour to reception, ice, galvanized bins. How many guests can the barn fit?

Moose Creek Ranch has 132 chairs and 16 farm tables. Our capacity is 130 guests. Depending on your group size, we may have to move chairs after the ceremony for dinner. The barn does not have a bathroom. The bathhouse is a 1 minute walk away and has multiple stalls. We encourage portapotty rentals to have outside the barn.

We have a few decorations/signs that you are welcome to use. Please see page 16 in this brochure for our decorations and furniture. We do not provide any linens, dishware, or tableware.

Is the barn heated or air conditioned?

The Barn is neither heated or air conditioned. For colder times, we have a wood burning stove we light and can bring in space heaters. We also encourage guests to dress appropriately for the weather.

Do you have a sound system?

We have an AMP, Microphone, Bluetooth speaker, and extension cords available for your use.

We have parking to fit 50 cars between our lot and the road. We do encourage carpooling or shuttle services, just in case.

How many overnight guests can you accommodate?

Our lodging can accommodate up to 80 guests not including the 14 RV spots.

What happens if the weather is bad?

In case of inclement weather, we will work with you to create a back up plan. In the past, we've had the ceremony, dinner and the reception in the barn, which means we have to move chairs and tables to create a dance floor. Tents are available for rent via canvas unlimited in Jackson Hole. Please refer to the preferred vendors list on Page 15.

Do you provide a wedding planner/coordinator?

Moose Creek Ranch strongly encourages wedding clients to hire a wedding planner. We do not offer wedding planning services. MOOSE CREEK RANCH WEDDINGS

TESTIMONIALS

Moose Creek Ranch is the dreamiest place to get married! My husband and I hosted our wedding here on September 10, 2022 and it couldn't have been more perfect. The majority of our wedding guests stayed on property and spent the wedding weekend hiking, mountain biking, playing volleyball, and taking cold dips in the creek behind the lodge. It was a place where everyone could relax and spend good quality time together over the weekend. Jess, Tony, and Joe made planning this wedding an absolute breeze. Their attention to detail and customer service is top notch and we didn't feel an ounce of stress heading into the weekend. We couldn't have asked for a better team to help plan the biggest event of our lives!

- KATE & PACO SEPTEMBER 2022

We had our wedding at moose creek in September and it was absolutely perfect between the beautiful property and the welcoming and accommodating staff. All of our guests loved everything about it. We will 100% be back to visit!!

- JESSICA & KYLE SEPTEMBER 2022

My wedding weekend at Moose Creek Ranch still feels like a dream. Tony, Jess and the Moose Creek team were so responsive, supportive and calming throughout the planning process and wedding weekend production! I highly recommend doing a full buyout for the ranch and having all of your guests stay on site. I am still getting comments from friends and family about how unbelievable to setting was and how special it was to be close to each other for the full weekend. It takes a little extra work to manage lodging logistics, but well worth it to have everyone on site. We had the classic Teton Valley weather roll in and Tony and crew calmly helped manage my stress and move events inside. Thank you MCR crew for your time, dedication and patience dealing with me and our crew. Truly an unforgettable weekend. I look forward to the next time I get to see you all soon.

- ANNA & STAN AUGUST 2022

Moose Creek Ranch is one of the most gorgeous places I have ever been to. Tony, Jess, and Sophie were the main employees from the venue we worked with, and they were all beyond helpful and accommodating. My husband and I were planning our wedding from Houston, Texas and we had a lot of anxiety about making everything go smoothly. The amazing team at MCR took all that anxiety away and were very helpful from start to finish. I used a lot of information from their website and transferred it to our wedding website which was very helpful for all of our out-of-town guests.

- BRIJETTE & PATRICK OCTOBER 2022

Jess, Tony, and the Moose Creek staff were AMAZING. They worked quickly to get all of our guests for our wedding situated into their cabins, they were communicative, friendly and incredibly helpful. As for our wedding, their staff was so professional and on top of EVERYTHING, we did not have to think about a thing, we could just enjoy our stay and our event. We are so thankful that we were able to have our wedding at Moose Creek and highly recommend it to anyone looking for a venue! Cannot say enough good things about the staff.

- CHARLOTTE & BEN JULY 2022

My daughter just got married there and everything was outstanding. The perfect ceremony site, perfect dinner site, great barn for dancing, and a really helpful, friendly staff. There is nothing quite like it anywhere. They had everything covered in every way. I can't say enough about it.

- SYLVIA, MOTHER OF BRIDE

Moose Creek Ranch is the best wedding venue in the Tetons and has the most supportive, kind, and capable staff. I am writing this review as a vendor here in the Tetons. We've worked with many amazing venues and Moose Creek Ranch is truly special. The employees have incredible team spirit and are eager to support all the vendors coming together to create an unforgettable experience for our shared clients. The ranch has exceptional amenities for vendors to use (electricity, drinking water, a dumpster, a kitchen, indoor and outdoor gathering spaces) and the most helpful staff. Moose Creek Ranch takes exceptional care of its wedding clients and it's an honor to contribute to weddings here. I especially want to shout out the manager Tony and the event planner Jess. You two do such an incredible job and are amazing to work with.

- IN SEASON, FOOD VENDOR

My wife and I had the pleasure of hosting our wedding at Moose Creek Ranch this July and it was an absolutely incredible experience! The venue is stunning, the staff are absolutely incredible and were extremely accommodating to every need and request from us and our guests throughout the three nights we stayed at the ranch. Our wedding was a dream come true and the team and facilities at MCR were a huge part of that. If you are thinking of hosting a wedding or other event at MCR, do yourself a favor and book it. The venue is by far the best option in the Jackson Hole/Teton County area.

- DAFNA & MICHAEL JULY 2022

The grounds and the staff at Moose Creek Ranch are absolutely incredible. I would recommend this facility to anyone who is planning an event. The grounds are kept in magnificent shape and they have a friendly, as good-as-it-gets staff, always willing to help.

- TODD, FATHER OF BRIDE SEPTEMBER 2022

We have had the absolute honor of coordinating weddings at Moose Creek Ranch and it has now become a favorite venue of ours. Tony, Jess & their amazing team always welcome everyone with open arms - you feel like family by the time you leave. They are kind, and professional and are always willing to lend a helping hand. As wedding planners, we love referring clients to venues like MCR. They provide a wonderful experience for our couples as well as their family & friends. Plus, vendors love to work there as well. MCR is located in beautiful Victor, ID- a beautiful 40-minute drive to Grand Teton National Park. The ranch provides lovely accommodations, a cozy lodge, several outdoor ceremony+cocktail hour+reception options and a beautiful barn to host any part of your event. MCR is an A+ wedding venue and we love when clients choose them to celebrate with their family & friends!"

- SACRED RIM EVENT PLANNING

I got married at Moose Creek almost 3 months ago and have been meaning to write a review this entire time! We decided at the last minute to have a destination wedding. We live in Texas and decided in October to do a wedding in the mountains. My husband and I were able to visit the venue once before the wedding even though the ranch was technically closed and we loved it! Fast forward to the wedding, and our guests still can't stop talking about how amazing the accommodations and venue were! The cabins were awesome and the barn was the perfect reception space. I can't say a single bad thing about our weekend at Moose Creek Ranch. All of their staff was fabulous. If you're considering a wedding at Moose Creek - do it!! We hope we can go back soon!
