Frequently Asked Questions

Everything you need to know about planning your wedding at Moose Creek Ranch

What is the payment schedule?

50% of the venue fee is required upon booking. The remaining deposit + 6% sales tax is due 60 days before your wedding day. Lodging payments are due 30 days prior to your arrival. Alcohol and any additional charges will be collected upon your departure of the ranch.

Do I have to pay for my guests' lodging?

Typically, couples do not cover the lodging expenses for their guests, although it is an option. Upon booking, MCR will provide you with a lodging list to complete, assigning guests to units based on their group size. MCR will then be notified to contact the front desk to individually pay for their accommodations. **Any unpaid reservations will be the responsibility of the wedding contract owner.*

What about guests who can't stay on-site?

We're 5 miles from Victor, 12 miles from Driggs, and 25 miles from Jackson which offers numerous nearby accommodation options.

Are we required to have a wedding planner?

At minimum we require you to have a day-of coordinator and main point of contact for our events manager (Jess Woods) to connect with. We do not offer wedding planning/coordination services, and our decoration services are very limited. We do recommend you hire a planner to assist with the details leading up to your big day. We will serve as the main point of contact with your planner to ensure a smooth experience on your special day.

Can we host multiple events during our buyout?

Yes! Moose Creek Ranch is a multi-day rental which means you are welcome to use our property for rehearsal dinners, welcome parties, farewell brunch, etc.

Are you dog friendly?

Yes! We love having your furry family members at the ranch. Well-behaved pups are welcome to participate in your events as long as they are leashed and picked up after. Our twin cabins are pet-friendly with a \$50/night pet fee. Pets are also welcome in the RV/Tent sites at no additional cost.

Do you provide bar & alcohol services?

Yes! Guests can purchase drinks in the main lodge through the weekend from our bartenders. An open bar is available during your event dates or on your wedding day. Glassware is not provided for events; if you wish to have glassware it must be rented from an outside vendor and picked up by time of departure. MCR does not bus tables for glassware or provide cleaning services.

**In accordance with our beer and wine license, no outside alcohol is permitted on the premises during your event weekend. Bringing in outside alcohol will result in additional charges and could lead to the event being shut down.*

What is the contingency plan for inclement weather?

We typically hold the ceremony outdoors and wait for an appropriate weather window to proceed with the ceremony. We aim to make a final decision on any venue changes for cocktail hour and dinner by 10am on the morning of the event. Moose Creek Ranch retains the final decision in this matter. We believe it is better to have a plan in place rather than scrambling for a solution at the last minute. If your group size is 100 or less, the event barn can be used for cocktail and dinner hours. For groups over 100, we recommend renting a tent to ensure coverage in case of weather.

Will my photos be used for MCR marketing purposes?

We kindly ask that all photography captured on our property be shared with us, as we value the opportunity to showcase the beauty of our venue. Your cooperation in providing us with the rights to use these images for promotional purposes is greatly appreciated!

What is the clean up process?

MCR Responsibility: Cleanup of MCR furniture, common areas, and removal of trash & recycling. Any rented items are not included in and must be picked up by 12pm on departure day.

Guest Responsibility: You and your guests are fully responsible for removing all personal items, decorations, and any additional rented items brought in from the kitchen, barn, main lodge, cabins, and the grounds. All items must be removed by 12pm on the day of departure; failure to do so will result in additional charges and disposal of left-behind items.

Late Cleaning/Departure Fee: A \$1,000 fee will be charged if lodging and venue is not vacated by 12pm on day of departure.

Discover why Moose Creek Ranch is consistently praised for its unforgettable weddings — offering an unparalleled blend of natural beauty, rustic charm & exceptional service.

"I'm a wedding planner and worked with Moose Creek Ranch for a full weekend buyout for a destination wedding. I've worked with a lot of venues/hotels and you never know what you're going to get, but MCR was perfect in every way! Staff was on top of everything and so helpful throughout the wedding weekend. Leading up to the event we worked hand-in-hand with the event manager (Jess) to ensure every detail flowed seamlessly. Her attention to detail and kindness was impressive. Additionally, the location was gorgeous, the available activities were ample and fun, and the rooms were clean, quaint and comfortable. This is a perfect spot and I hope to return for my own vacation someday!"

—WILDY COLLECTIVE, WEDDING PLANNER

"As a wedding photographer, I can confidently say that Moose Creek Ranch is a dream venue for any couple looking to create lasting memories. The location, the facilities, and the overall ambiance are all top-notch. Whether you're planning a summer or winter wedding, this ranch offers a one-of-a-kind experience that perfectly captures the spirit of Jackson Hole. I'm already looking forward to my next opportunity to shoot at this incredible venue! My bride and groom were able to get ready at the ranch separately, travel to Grand Teton National Park to get married, and then return in the evening to enjoy s'mores and dancing. It was the perfect day."

—KENDRA SUE PHOTOGRAPHY

"Moose Creek Ranch was a dream come true!!! Jess and Tony and all the other kind, fun staff, who paid attention to detail really made the whole experience simple and easy. From the breathtaking landscape, to the perfect lodge atmosphere mixed with a mid century modern meets mountain rustic elegance. Our guests even rode horses!

We cannot stop daydreaming about our perfect wedding weekend! We can't wait to come to visit yearly for all the many anniversaries to come!"

—KATE & BENETT

"Moose Creek Ranch hosted an amazing wedding weekend for all of the guests. The property is beautiful, quiet, and has plenty of amenities to keep all age ranges happy. The staff was so easy to work with, very accommodating, and were happy to be there to help if we needed anything. Jess was a perfect person to work with as event manager because she is timely with responses, knowledgeable, and an overall wonderful person to be around. We already can't wait to come back to this amazing property!"

—JENNIFER & KYLE

"We booked out Moose Creek Ranch for a weekend to host our wedding. We cannot say enough positive things about our entire experience. All of the staff were incredibly friendly, responsive, attentive, and clearly love their jobs! They were extremely accommodating to our wide range of needs. Jess, the events manager, was an absolute joy to work with. She maintained a calm and positive attitude throughout our communication leading up to the wedding and throughout the weekend. All 55 of our guests stayed at MCR the whole weekend and everyone feels in love with the ranch, the lodging options, the staff, the atmosphere and scenery, and the amenities. We can't imagine having had our wedding anywhere else and many of our guests are hoping to return to MCR. 10/10 recommend for weddings and vacations!!"
